

Choose your aesthetic look,

instead of steel...

...choose gold...

...or even tooth-coloured wires!

To discuss orthodontic private treatment options, please ask for a consultation.

Crystal Clear Sapphire Braces

*Virtually
Invisible
Braces*

*The clear, comfortable,
alternative to metal braces*

Purity™

These new, innovative orthodontic braces are made from *single crystal sapphire*, which is *crystal clear* and *super-smooth*, giving you a *virtually invisible* and *comfortable* orthodontic brace.

Known for its supreme hardness, pure sapphire produces an orthodontic brace that has *unsurpassed strength* and *smoothness* for superior clinical performance...

....to give you that confident Smile you have always wanted

PURITY: 'pjʊərɪtɪ n.
the quality or condition of being pure; absence of anything that contaminates: cleanness
